

METRO PHOENIX ECOFLORA PROJECT

Getting Started

Step One

Download the **iNaturalist** app to your smart phone, or visit the **iNaturalist** website, www.inaturalist.org.

Step Two

Create an account using your email and an **iNaturalist** username and password.

Step Three

Join the Metro Phoenix EcoFlora project.

- In the app: Tap "**More**," then "**Projects**," and search for Metro Phoenix EcoFlora. Tap "**Join**."
- On the website: Search Metro Phoenix EcoFlora and click "**Join**" at the top right of the banner.

Step Four

Make observations and share what you've found on **iNaturalist**.

- Take photos of plants, animals and insects, then share observations.
- Observations are automatically included in the Metro Phoenix EcoFlora project.

To stay up to date on project happenings and announcements, sign up for the newsletter and keep an eye out for announcements on the Metro Phoenix EcoFlora project page.
