OUR NEWLY REFURBISHMENT OF THE SUITES

Chongwe Suites is the final phase of our Time + Tide soft refurbishments of camps in Zambia.
Always a highlight in the Lower Zambezi, Chongwe Cassia and Albida are the ideal private exclusive destination. Their soft refurb allowed us to freshen up and lighten the feeling of the suites, with their mix of playful colours, animal prints and carnival stripes. The suites have a fun and unexpected layering of fabric combined with Zambian furniture. Beyond the soft refurbishments, we have focused on improvements such designing the bathrooms to be closer to the tents within your suite. Chongwe's suite refurb allowed us to freshen and lighten the feeling of their indoor outdoor design enhancing Cassia's trademark as being a honeymoon or perfect couple escape, and Alibda's layout as a family suites or ideal for two couples travelling on safari with their privacy, sense of location overlooking the mighty Zambezi.

LOWER ZAMBEZI NATIONAL PARK

Fishing is good year round, but peaks in October and November during the breeding season.

July to October is peak season for our Sleepout Under the Stars.

Canoeing safaris are great all year. During the driest months of August to November, wildlife congregates along the river.

Lion and leopard sightings pick up as the bush dries out and the visibility improves.

The peak walking safari season is July to October.

Boat cruises are excellent all year on the Zambezi River - expect plenty of hippos, crocodiles, birds and elephants.

As the summer rains recede, April is the best time to see wild dogs and a high bird diversity.

GREAT ALL SEASON

+ Elephant encounters - experience the touching, intelligent side of these beautiful creatures
+ Birdwatching - over 370 species
+ Boating and canoeing safaris
+ Wildlife photography
