The Art Of Discovery

Eclipse Expeditions is the premier option for luxury small group cruising along West Australia's pristine coastline for a variety of reasons, explore some of these below.

Luxury, redefined

Our Leopard 50 catamaran, Eclipse, is your luxury sailing retreat. She features four stylish and luxurious ensuite staterooms, accommodating up to eight guests. Her unique design features four independent, contemporary, and spacious entertaining areas providing ample zones to dine and mix with your guests and intimate snugs when you need a little privacy. We offer the highest levels of service and hospitality afloat, and our passionate and expert crew are ready to take care of your every need. Your meals are carefully curated by our chef using local fresh ingredients focusing on the catch of the day. All beverages are included in your package and feature premier West Australian wines selected with our highly celebrated partners Woodlands and Cherubino.

Travel with respect

In addition to offering the exhilaration and tranquillity of sailing, our venture will sit lightly on its surrounds. We focus on the minimal reliance on hydrocarbon fuel, maximisation of the use of renewable resources and the promotion of eco-friendly onboard products and practices. At Eclipse you can take comfort in knowing our promise to the environment is absolute and you will witness this commitment everyday onboard.

Intimate access, bespoke tours

Eclipse Expeditions is owner operated by vibrant individuals with years of experience and in depth knowledge of voyaging through West Australia's pristine cruising grounds. Pair this with Eclipse's ability to venture into shallow and secluded anchorages where others cannot navigate means you will enjoy exclusive access to hidden corners of this incredible coastline. Accommodating a small group means you will experience the magnificence and wonder our coast has to offer with just you, your crewmates, and nature's own guest list.

Freedom of adventure

We place an emphasis on curating unique and specialised voyages balancing bespoke adventure with exquisite relaxation. A cruise with us offers unmatched freedom when it comes to planning your cruise. Unlike larger charter vessels with stringent schedules, we offer our guests the luxury of choosing how they would like to enjoy their time onboard, the destinations they are dreaming of and the pace of their days. With Western Australia's amazingly diverse coastline, there is an opportunity for multitudes of activities to please even the most discerning traveller. Here at Eclipse, we work closely with your group ahead of the cruise to ensure everyone's interests are catered for in your bespoke itinerary .

Focused on the little things

Our team understand it is the small, thoughtful details that create the best memories.
We are dedicated to crafting unforgettable experiences from the moment we make contact with a guest. We do this by placing them at the heart of our experience and working closely with them to curate their voyage. We focus on the quality of every element be it the presentation of the menus our chef has crafted, the quality of the wines we serve, the music you love or that special coffee served just at the right time. With a maximum of eight guests onboard we offer an intimate personalised service that we believe is unmatched by our larger cousins. Here at Eclipse Expedition, we cater to everything you can and cannot imagine.
