

Diversey Learning Webinar

The Race to ZERO

Target ZERO Illness & Absenteeism

October 19, 2021

2:00 ET , 1:00 CT, 12:00 MT, 11:00 PT

Please join Senior Clinical Advisor Jim Gauthier, MLT, CIC, and the Diversey team to discuss the Top 10 Tips & Tricks to “Make Your Intention Infection Prevention” in Schools, with Best Practices for Hygiene in an Education Environment.

During this presentation, you will learn about

- Pathogens of concern in an education environment
- Cleaning/Disinfecting product characteristics to ensure selection is optimal
- Key Best Practices – Environmental Hygiene, Hand Hygiene and Added Assurance
- Call to Action – Preparedness for Containment and Prevention
- Diversey Solutions – Products, Practices and Implementation

Invest your time to explore ways to help create a safer environment for learning.

Sign up [here](#) and you will receive the webinar information as soon as it is available.
