

## **Strategic Planning Task Force -- Listening Sessions**

### **Nine Opportunities to Connect and be Heard!**

Strategic Planning Listening Sessions are designed to help us discern who, how, and what we want to be as UUCC. We are opening our ears and hearts to our members, friends, staff, and community stakeholders. Each session will last about 90 minutes and participants will be asked to complete and discuss a questionnaire\* designed by the Strategic Planning Task Force.

**Please register for ONE (1) Listening Session using the links below.** These small-group discussions are limited to 12 attendees, who will be hosted by a facilitator from the Strategic Planning Task Force. If the session you hope to attend is full, please contact Erin Justice ([erin.justice@uucleveland.org](mailto:erin.justice@uucleveland.org)) and Laurie Albright ([ljbright@hotmail.com](mailto:ljbright@hotmail.com)) to make alternate arrangements. We may be able to create a second group at that date and time.

**If you are a member of a group or committee that is scheduled with a facilitator at your regular meeting time, there is no need to register for a listening session.** Members of the Task Force will be visiting one of your upcoming meetings.

In addition to the sessions below for adults, we will also be “invading” the RE classrooms on Sunday, September 26th to hear from our young people. And to create a more complete profile of our congregation and help define our goals, the Task Force will be speaking with UUCC’s staff members and community partners.

Some of the questions we will be considering:

What brings you the greatest joy as a member/friend of UUCC?

What is the fundamental reason for our congregation to exist?

What are UUCC’s strengths and weaknesses?

**All Listening Sessions are at the Shaker Heights location.** Room assignments are posted below
