

Volunteer at OLLI

OLLI is Always Looking for Volunteers for Committees

There are a multitude of volunteer opportunities at OLLI - We need you! Please contact Lynn Boyer on more ways to get involved: lynnboyer10@gmail.com

JOIN THE OLLI OUT OF TOWN COMMITTEE!

Have you ever considered combining your participation in the in-person and virtual programs of the Out of Town Committee with actually functioning as a program lead on the Committee itself? The Committee always welcomes new members to participate in identifying travel themes and destinations and planning the itineraries for the programs. The Committee meets year round on the second Wednesday of the month from 2 to 4 P. M. You can initiate your participation on this Committee by contacting the OLLI Out of Town Chair, **Ruth Primas**, at ruthp@umich.edu.

Call for Fall 2022 Study Groups - Ask a Friend or Colleague to Lead a Study Group!

Do you have some interesting neighbors, friends, relatives or former co-workers who might be willing to share their expertise, experiences, knowledge, and interests with our members in a small group setting? Please send any recommendations to the OLLI office at olli.info@umich.edu. OLLI's Study Group Committee will do ALL the follow up to help complete proposals, either written or submitted online, and offer assistance of any kind. All suggestions are welcome and appreciated! Study group proposals for Fall 2022 are due **Monday, May 2, 2022** (hard deadline) to make our catalog deadlines. Thank you! Note: Fall 2022 study groups can be virtual or in-person (if safety permits).

The OLLI Lecture Committee is looking for new members!

The Lectures Committee is in search of volunteers to participate in creating the lecture events for the 2022-23 academic year! Those lectures are being created now. If you are interested in creating the series for any of the following topics, please contact the **Frances Schultz**, the Lectures Committee chair, at fschultz@umich.edu.

- Toxic Materials: Plastics and Others, Their History, Use, Elimination and Ecology
- The Future of Education in the United States

The OLLI Development Committee is looking for new members!

Please let us know if you are interested in this exciting opportunity. For those who have an interest or experience in fundraising for non-profits, this committee offers an opportunity to find alternative means of funding for OLLI programs and activities. Contact **Susan Fisher**, srf@ameritech.net

OLLI Special Projects Committee is currently recruiting volunteers!

Looking for a fun and stimulating volunteer opportunity and a way to contribute? Join the Special Projects Committee, the OLLI "New Program Incubator". This is the committee that developed the Climate Change series, the COVID series, Torn from the Headlines, OLLI @home and OLLI Reads. Join us if you like generating new program ideas and making them happen. Contact **Laurie Barnett** at lbarn@comcast.net if interested or to get additional information.

Looking for Afternoons with OLLI Chair!

Afternoons with OLLI, a vibrant and engaged group is looking for a chair! Join a very active group that enjoys planning events (that will move to evenings in the spring) that explore Ann Arbor and Michigan featuring local personalities, interesting places and highlight compelling stories and current issues in our community. For more information, please contact **Lynn Boyer** at lynnboyer10@gmail.com.
