

The Bee Lady Talks

Tuesday, November 2, 3-5pm

Explore the life of the honeybee in and out of the hive. Victoria Dluzen McIntyre is an amateur apiarist whose love of honeybees comes to her naturally - her family name 'dluzen' means 'keeper of the bees' in Polish. Known as 'The Bee Lady', Victoria has traveled around southeastern Michigan giving talks (The Bee Lady Talks) to schools, garden clubs, and civic groups. Come and learn about the mysteries of the hive and how 50,000 bees work together for one common good.
