### ○ *Detroit in Context: Assets, History and Challenges*

- Friday, December 10, 2021

3:00-4:30pm

**Speaker: Detroit Experience Factory Tours**

Living in Detroit can be complicated. It has tons of amazing assets but, also, faces many challenges. One thing is for sure, Detroit is more than the headlines and stereotypes portray it to be. This virtual tour by the Detroit Experience Factory will help provide understanding as to how Detroit's history shaped where it is today, connect with what's happening now, and instill inspiration to take an active role in creating the city's future.

*Highlights include:*

- World class museums
- Parks and public spaces
- Entertainment venues
- Campus Martius
- Indigenous past and present
- The growth of Detroit
- Entrepreneurial atmosphere and grassroots Project
- Racism in Detroit

## SPONSORSHIP

*\*This event is sponsored by Linda Bennett and Bob Bagramian in memory and celebration of Congressman John Lewis for his unflagging values and courageous fight for equality and justice.*
