

Dear Friend:

We hope this letter finds you and your family healthy and safe. During this most difficult time, the Ursuline Sisters are unwavering in our mission to ensure the children we serve in our HIV/AIDS Ministry continue to receive vital services.

Our Ministry has continued to provide wrap-around services to children and families during this COVID-19 crisis. We have provided weekly, individualized, virtual tutoring sessions with the children to assist them with completing their school work; we created a private YouTube channel to showcase the talents of the children and children's programming staff; we have provided food and personal hygiene items to the families most severely impacted by this crisis; we have created academic and educational kits that we are distributing to the families each week during the summer; and we have continued to offer emotional support for the children and families experiencing anxiety during this time.

Now more than ever our children need our help. Just as we have adapted our programming to meet the challenges of the COVID-19 crisis, we must now figure out innovative ways to fundraise to assist us with providing for the children and families in our Ministry.

As you may be aware, this October would have been our **sixth annual Nun Run 5k Run and 1-mile walk** fundraiser to support our children. This is one of the major fundraisers for our children's program each year. Due to the uncertainty around COVID-19 and possible future restrictions, we have decided to get creative!

This November, we will be hosting our first ever **VIRTUAL Nun Run!** A virtual race is a race that can be run (or walked) from any location at any time you wish during the month of November. It is a wonderful way to support our vital mission, stay active, and get the whole family involved in a healthy activity.

**Please consider a tax-deductible sponsorship for our event** (Tax ID #31-1493656). These funds will help ensure children living with or affected by HIV/AIDS continue to get the help and support they need to thrive.

Due to these unprecedeted times, we will also be partnering with our sister organization, the Ursuline Preschool & Kindergarten, as their fundraising efforts have also been adversely affected by COVID-19 restrictions.

Feel free to contact us with any questions. We have attached a flyer with sponsorship opportunities; please note that **100% of your sponsorship money goes towards the children's program of the HIV/AIDS Ministry.** The deadline for sponsorships is **Wednesday, October 7<sup>th</sup>.**

We have also included a race registration form in case you would like to participate in our event. If you have any questions, please contact me at (330) 793-0434, or dwakefield@UrsulineSistersAIDS.org. You can also visit our race website at [www.runsSignup.com/nunrun](http://www.runsSignup.com/nunrun) for more information or to register online. Thank you for your generosity.

Sincerely,

Daniel Wakefield  
HIV/AIDS Ministry Director
