FRIENDS OF SCOUTING 2026 BREAKFAST

TOUGHEST SCOUT CHALLENGE - FRIDAY, OCTOBER 2

- The Toughest Scout Challenge is an action-packed team competition that pushes participants to test their leadership, problem-solving, and outdoor skills through a series of fun, Scout-inspired challenges. From physical feats to mental puzzles, teams will race the clock, build camaraderie, and prove they have what it takes to be the toughest on the trail. Held at Camp Karankawa in Mathis, TX.

DISTINGUISHED CITIZEN AWARD DINNER - LATE OCTOBER

- The Distinguished Citizen Award Dinner is an elegant evening dedicated to celebrating an outstanding community leader whose service, integrity, and commitment embody the values of Scouting. Guests enjoy an inspiring program, meaningful stories of impact, and the opportunity to support local youth through character-building programs.

CAMP SCHOLARSHIPS

- Camp scholarships ensure that every Scout has the opportunity to experience adventure, friendship, and personal growth, regardless of financial circumstances. Your support helps remove barriers so more youth can build confidence, learn new skills, and create lifelong memories at camp.
