## A note from the Pastor

I remember visiting a church one time and attached to the pulpit was a sign only the preacher could see, "We would see Jesus." I paused and wondered out loud about it and the person showing me around told me the sign is there as a reminder that while we preach and share God's Word from the pulpit, we also pause to see Jesus in the faces of those who are receiving this precious word. He shared that all too often we, as pastors, get caught up in the routine of sharing about God's love, grace, and presence and we often miss seeing Jesus sitting right in front of us. We miss seeing Jesus in the faces of those we interact with, in the ordinary and mundane moments of life and ministry.

I suspect we all need this reminder more often than we would care to admit ... pause and notice! We tend to get sucked into the hustle and bustle of our daily lives and forget that God is actively involved every day in the everyday monotony, and especially through those whom we encounter. We mistakenly think that God only shows up in significant and monumental ways. We assume God doesn't care about us because we don't sense God's presence strongly enough when we could really use it. But God IS there and cares deeply about every one of us. God is engaged in our daily lives even when we don't recognize it

and we would be truly surprised if we just pause and notice what God is doing in and around us.

As we begin the season of Pentecost (also known as Ordinary Time, oddly enough), it is the perfect time for us to pause and take notice of God ... to slow down our pace and notice what God is doing and how God is working through us and others. As we do so, we will notice that God is in the faces, hands, voices, and touch of others. God speaks through the blowing wind and chirping birds on the branch outside our windows. God is in the silence. God is grounding you when you are feeling overwhelmed. God is beside you in everyday moments. "Pause" and "notice" are great words of guidance for us this summer and I invite you into the sacred practice of paying attention to what God is doing all around you. Better yet, share out loud with somebody what you are seeing ... around the dinner table, in the car, or on social media. Before long I anticipate you will be noticing God in many more ways and feeling God nearer to you than ever before.

Peace ... **Pastor Kemp**

### *Altar Flowers*

If you would like to have altar flowers placed on the altar (in memory, honor, or celebration of someone or something), there are two options available for you.

- 1) With the increasing costs of fresh flowers, the arrangements have become less and less. Moving forward, you can have the church pick up a pre-done bouquet or arrangement for \$40.00.
- 2) Bring your own fresh floral arrangement to have at church by Thursday Worship at 6:30pm.

## Help Wanted!

Are you interested in helping to define our Ministry in the coming years?

As OSLC looks to the future, what does it look like? We already know what the building needs, but what do members and ministry need? Please contact Will Hanson or Lori Knoke if you want to be part of the Long Range Planning Committee.

## Plastic bags, wrap, and packaging

Our Saviour's is committed to a year long earth day project of collecting plastic for recycling. We were so successful in the past that we are continuing the project. Please bring in your plastic recycling and put it in the bins in the narthex. There is a poster describing the types of materials we can accept. Pretty much the same as what you would take to the grocery store.

Also we need members to assist with taking the collected plastic to Pick N Save, our local drop off site. Please talk with Sam or Winnie if you want to help.

Worldwide, when people talk about what really matters to them, it's family. Having a child with autism doesn't change that, but it can make family time challenging and connection hard to come by. Children with autism and their families need a unique type of situation to feel physically and emotionally safe to connect, rejuvenate, and play together.

Join us for Piece Together, our four-day residential family camp program designed specially for families with children on the Autism spectrum! Piece Together is meaningful and beneficial for all members of the family:

- ◆ Spectrum campers engage in developmentally and situationally appropriate and engaging activities designed to meet their needs.
- ◆ Parents are able to connect with other parents for sharing, support, and networking.
- ◆ Siblings find connection and community as they are affirmed and their experience is seen, heard, addressed, and honored.

**OSLC's Mission &  
Ministry doesn't take a summer  
break . . . Thankfully, neither does  
electronic giving!**

The ministries of Our Saviour's Lutheran Church don't take a summer break—in fact, your church relies on consistent financial support year-round. Summer giving usually takes a dip . . . and not in the pool.

This summer, while you're taking a break, please consider automating your offering. Electronic giving is easy! Just call 734-6396 ext. 2 or email [office@oslc-appleton.org](mailto:office@oslc-appleton.org).

You would rather use paper? Request some pre-addressed OSLC envelopes to mail in your offering when you can't make it to church.

**Thank you for all you do through  
Our Saviour's Lutheran Church!**

## Thank you, Thank you!

Thank you to all OSLC members who have volunteered of their time! Here are some recent projects that took place:

Thank you to all of those who have signed up to help with the lawn so far this summer: Aaron Nigbor, Jerry Wilkin, Nathan Kruse, Bill Sommer.

Thank you to Brian Krauss, Stan Blodgett, Rick Peterson, Alan Babcock, Jim Leppla, and Lloyd Eggert for working at Pine Lake Camp on April 21st to replace ceiling fan blades, patch walls, install door stops, repair a deck rail, install a toilet, replace a small ramp, and clean eaves troughs.

Thank you to Brian Krauss, Rick Peterson, Jim Leppla, Lloyd Eggert, Larry McPeake, and Alan Babcock for working at Pine Lake Camp on May 18th to replace Cedar siding, re-secure ground break, install door sweeps, install door stops, replace a sink faucet assembly, and make electrical repairs. Also thanks to Larry for grilling steak sandwiches for lunch.

Thank you to our members Laura Purath, Brian Krauss, Rick Peterson and all others who have helped with cleaning the church as we search for someone to fill the role, including help from members of the Hmong congregation!

Thank you to ALL who help serve as barista, help with setup and clean up and provide treats between services, and for those who have helped provide them for the Feasibility Study Information Gatherings, too!

If you have any activity/event you'd like to recognize any volunteers, please get in touch with Stephanie Gifford at [lenzx047@gmail.com](mailto:lenzx047@gmail.com) or 920-562-9513 and we will include it next time!
