#### From the Pastor's Desk . . .

Singer/Songwriter/poet Bob Dylan wrote a song called The Times They Are A Changin' and as I reflect upon the times we are a livin' right now, the title to Dylan's song seem to strike a cord in me and maybe you too –  
*The Times They Are A Changin'*

And we've witnessed the changin' times bringing about fear, anxiety, rage, despair, depression, control, hate, helplessness and on and on and on.

And we've witnessed the changin' times also bringing about creativity, compassion, cooperation, innovation, and on and on and on.

These times that we live in reminded me of a Bible passage from the Gospel of John, the 1st chapter, verse 16 – from The Message: "We all live off of His generous bounty, gift after gift after gift . . ." As people created in the image of God we are blessed, even when the blessing seems distant or shrouded, or unreachable, with a grace and love without end SO THAT we can live grace, speak grace, show grace in our daily interactions with one another.

The liar would have us believe, and his lie seems much more tangible than God's grace at times, that the brokenness of our world is as good as it's gonna get, so we all had better make sure that we get ours or someone else will get what we're due – in short – the opposite of living a grace filled life.

So as we enter this transition month of October: gardens finishing, leaves turning, school back in full swing, please remember that you are held fast in the loving hands of God whose mercies for you and all people are without end – no matter what other lies tell us the contrary.

As a congregation living in these times that are a changin', please also remember that God has blessed us with a strength and power that are unmatched by anything the word has to offer, so let's all continue to live together as hope and love-filled people.

Grace and peace, *Pastor Kurt*

## OSLC Sunday School 2020/2021

Hi, and welcome to another great year of Sunday School at Our Saviour's Lutheran Church! OSLC welcomes all children, members or not, to its Sunday School, including youth ages 3 - 6th grade.

We recognize the unprecedented times that are upon us as we start in a virtual format at least through 2020. We will look to provide Sunday School programming that is relevant and inspiring, understanding that families have a variety of make-ups and schedules. Building community togetherness may supersede specific learning objectives as we begin the year. Our hope is that the child(ren) in your home have a journey of faith that is positive and that we are able to provide you with tools to help make the most of the days at home. Sunday School is truly for everyone.

**Invite friends and family members to participate—they do not need to be members of OSLC. See page 10 for registration form.**

## Kwik Trip Gas Cards still available at the church

Just a friendly reminder that you can still purchase Kwik Trip Gas cards from the youth, during this time when we are not together. If you would like to purchase cards, simply email Deacon Brett with your order and he will try and make them available within 2 days. He will make arrangements with you to pick them up at the church. Thanks for your continued support of our youth.

## Confirmation Ministry begins in October online for all 7-9 grade youth

Our confirmation ministry will be taking place virtually this fall, as we continue to practice "safer at home" guidelines. Students came together for a zoom orientation on September 30, where they learned how they would be connected this fall and growing in their faith. If your student has not yet registered, simply email Deacon Brett to get started. ([brett@oslc-appleton.org](mailto:brett@oslc-appleton.org))

with one seamstress sewing several hundred!!

**ATTENTION QUILTERS:** The quilt group will not be meeting this fall; however, we still need quilts for Lutheran World Relief. **Anyone who would like quilting supplies or who has quilts to donate please call me,** Linda Sturma, at 739-0455.

A shipment of quilts will be sent in October to LWR—call Linda if you have some to include in the shipment. Thanks to all of you for the quilts already completed!

### FACEMASK MINISTRY

If you, or someone you know, is willing to help with the mask ministry, please contact Winnie at (920)428-2487 or [winnie.mcpeake@gmail.com](mailto:winnie.mcpeake@gmail.com) to see how you might be able to help.

Knitters are making the strings for fasteners, while sewers are sewing masks in sizes for children or adults. Some of the masks are being placed in the Little Free Pantry on our property along Meade St. to help our neighbors.

Perhaps you have cotton material to donate, or could cut some fabric, or help with delivery, or donate 1/4" elastic you have on hand, etc.

### READ and FEED

OSLC now has two little free libraries and one little free pantry. The pantry is stocked with non-perishable food items and facemasks to help our community.

We are collecting:

- Gently used or new books for all ages (especially need children's books)
- Canned and boxed food (that has not expired)
- Face masks

When grocery shopping, please consider picking up an item or two to donate to the Little Free Pantry at OSLC. Donations can be placed in the top blue tote by the front doors at church or send an email to [Laura@OSLC-Appleton.org](mailto:Laura@OSLC-Appleton.org) to coordinate donating a larger amount.

*Thank you, Tom Roessler for consistently sharing your gifts to make these ministries possible.*

**Thank you, people of OSLC, for helping to reach out to our community!**

### UPDATE:

**Meijer Supermarket Company granted a \$500 gift card to OSLC to help fill the Little Free Pantry!! Thank you, Meijer, for helping us to feed the community.**

**TeleMatch increases social connections for older adults**

Many adults age 60 and older who live alone in their home are particularly at risk for social isolation during this pandemic. Feeling lonely and isolated can lead to chronic health conditions. St. Paul Elder Services and Volunteer Fox Cities are partners in TeleMatch, a program that pairs screened volunteers with older adults who live in their own home in Outagamie County and desire greater social connections. The goal is to assist older adults to remain healthy, safe and independent in their own home. When our vetted volunteers are matched with an older adult, they place a friendly phone call to them. Both can decide the frequency of the calls. Do you have a neighbor or family member who lives alone in their own home or apartment who may benefit from a friendly phone call? Contact Jan at 920-832-9360.

Sunday School 2020/2021

OUR SAVIOUR'S LUTHERAN CHURCH | [WWW.OSLC-APPLETON.ORG](http://WWW.OSLC-APPLETON.ORG)

## A NOTE FROM THE CHILDREN'S MINISTRY TEAM

Dear Children and Families,

August 18, 2020

Hi, and welcome to another great year of Sunday School at Our Saviour's Lutheran Church! We look forward to warmly connecting with our returning families from previous times; we have missed you! We also are excited to embrace new children and families into our program in the coming months, and we hope you find this community at OSLC to be one filled with faith, love, and hope. OSLC welcomes all children, members or not, to its Sunday School, including youth ages 3 - 6th grade.

### Faith Journey

As we all embark on this faith journey with the child(ren), we recognize the unprecedented times that are upon us. Sunday School ended abruptly for our children, their teachers, and all of the Sunday School families last year, and our program will look much different beginning in the 2020-2021 school year as we start in a virtual format at least through 2020. We will continue to align our programming with the opening of worship, and when times are ready to commence in person, we will joyfully share that news with you of returning to the church.

### What Will Sunday School Look Like This Fall?

We will look to provide Sunday School programming that is relevant and inspiring, understanding that families have a variety of make-ups and schedules, that time is precious, and that there may be already a lot of screen time in your home with work, school, and other commitments. We recognize that timing/viewing/participation may differ for each family, and creating and growing relationships and building community togetherness may supersede specific learning objectives as we begin the year. Our hope is that the child(ren) in your home have a journey of faith that is positive and that we are able to provide you with tools to help make the most of the days at home. Sunday School is truly for everyone.

### How Do We Participate?

You will find a registration form for the OSLC Sunday School 2020-2021 year. Here, be sure to register anyone who may fall into the specified age range who may participate in Sunday School this year. Anyone will be able to view things online; however, we'd like to know who we have joining us. Please fill out the form and return it to us. Because we are virtual to start, this could include friends, relatives, neighbors, classmates, and others who might not otherwise be with us, or who may not even be members of the congregation. We are so glad you ALL are joining us, and we want to be sure to include you in communications; for this reason, registration is key.

### When Do We Start?

Sunday School for the 2020-2021 school year will begin the week of October 4th, 2020. Please register so we can provide more information to you as it becomes available. We will also have articles/items in our monthly OSLC newsletter. Please contact us if you are not yet receiving those newsletters online through the church and would like to be included. Finally, please be on the look out for our Volunteer Needs Spotlight in the September newsletter, where we will highlight opportunities for not only teaching the children, but smaller, more defined roles where you can assist the children in families.

Thank you so much for venturing on this new journey with us this fall. We are glad to be back, and we hope you are too.

With Grace and Hope,

Jenn and Ted Tyvol, Children's Ministries Co-Coordinators

We look forward to welcoming back returning teachers, and we are needing new Sunday School teachers as well! When virtual, Sunday School teaching can include checking in with your children/families, providing content for a specific area in terms of pre-recorded videos, etc. The possibilities are endless! If you have time know that we are virtual and are interested in joining this flexible-timed position for the "online season" only, that is would be helpful too! Even if

you've never volunteered for Sunday School before, NOW is the time! E-mail or call us!

### Tech Crew:

Do you love computers/programs, etc.? We are seeking assistance for volunteers with backgrounds to set up programs for virtual Sunday School items. Time commitment will be on an as-needed basis.

### Guest Speakers:

Do you have a special hobby or talent you'd like to share? Do you know about gardening, how to make tasty treats, or have special arts and crafts talents we could showcase? Have you traveled somewhere special, done service work or volunteering that you'd like to share, or have a special skill in puppetry? We need you! Connect with us! Time commitment is based on your schedule, and in general is one time only...unless you have many things to share, of course!

### Postal Ministry:

Do you have time while the kids are sleeping...or better yet...have kids who would love to volunteer? Try out the postal ministry! Time commitment would be as needed for items to be prepped for postal drop off, stamping and addressing items, etc. We provide the items; work in the comfort of your own home.

### Kit Team:

Do you have a knack for finding great deals? Do you have ideas for At-Home Family kits for the fall? Would you be willing to put things in provided boxes to mail out to children and their families? If any of these sound doable, connect with us!

### Special Events Coordinator/Team:

Are you interested in milestone events that occur during the year for Sunday School children and their families? Come lead or join a team of talented people who would like to ensure each of these run smoothly and are fun! A variety of time commitments are available for various milestone events and holiday celebrations.

### Fox Valley Lutheran Homes 'Virtual Race' Fundraiser

Hello everyone,

In October FVLH will be hosting a 'virtual race' as a fundraiser. Many events are not being held due to the Covid 19 pandemic. This is a way for us to get some exercise, fresh air and raise money! There is a link below to access registration and more information—more info about getting together to walk will be available as we near the date.

If you choose to walk on your own, great! If you choose to NOT walk, but still sign up, great! The entire \$10 registration fee will be given to FVLH.

There is a 'bling' kit available for purchase (it's all about the t-shirt!).

The race host will receive the money and send you your package. Let me know if you have any questions.

Please share with friends across the globe, family members, your congregations, etc. The more the merrier! \$\$\$

Happy day,

**Amy Jo Christianson**, FVLH Board Member, Marketing/Development Co-Chair

Registered participants can begin running this virtual race event on OCTOBER 2nd at 12:00AM. Registration for this event will close on OCTOBER 18th at 10:00PM. All registrants must run their virtual race by 11:59PM on OCTOBER 18th.

### Give Students a Foot Up

Thrivent is partnering with Samaritan's Feet to hold a back-to-school "shoe raiser" to support kids in need in our communities. No matter if they are learning in-person or from afar, new shoes are some of the most-needed items by students.

While this shoe drive may look a little different than your typical shoe drive, the result is the same: Students across the country will receive shoes, thanks to people like you.

**Get creative.** Post a photo with as many shoes as possible! For every shoe featured, \$2\* will be donated toward this fundraiser. All photos must be posted on our campaign page.

**Give.** For every \$2 you donate through this page Thrivent will add another \$1\* to the cause.

**Send hope.** Write a Hope Note for one of the children who will receive shoes. Visit our campaign page for more information!

Excused: Will Hansen

The ZOOM Meeting was called to order at 6:33 pm by Carol Lamp.

Pastor Kurt gave the devotion.

The Meeting Agenda was approved.

July 14th minutes were approved.

### Monthly Reports:

- Pastor Kurt's written report was submitted.
- Financial Reports were submitted.
- Christian Education written report was submitted
- Deacon Brett's written report was submitted, discussion of Youth Survey and plans for Youth Activities going forward
- Office Manager written report was submitted

### Old Business:

- We have several volunteers for mowing the lawn, and watering the plants. We still need help with weeding. If anyone is interested in pulling weeds, just stop by church and pick an area to start. We are starting to consider what will be needed for snow removal.
- We are in agreement with the Appleton Conference of Churches in agreeing to move forward together with a timeline for re-opening that is safe and follows the Badger Bounce Back recommendations.
- The collection of food and books for the new "Read and Feed" little libraries was very successful and the libraries are all open. Any additional donations of food or books (especially children's books) can continue to be dropped off at church. Just leave items at the front doors, the area is checked daily.
- Virtual Coffee Hours after service will start on Aug 23<sup>rd</sup>. Watch the comments during the service for a link.

### New Business:

- The Synod Assembly Virtual Meeting will take place on September 26<sup>th</sup>. Will Hansen, Kathy Hoffman and Susan Kulkarni will be the Delegates from our congregation.
- It has been decided not to go forward with a Stewardship Drive at this time. Also, we will not archive inactive members this

year.

- It has been decided to not send out via mail Quarterly Statements this year. These are available on-line if anyone needs to access their statement.
- There was a long discussion regarding the status of Neighborhood Nursery School which houses a 3 year old and AASD 4K program in our building. A new lease will be drawn up reflecting COVID-19 compliance issues. It was decided to keep the portion of the building that the school used locked from the rest of the building. They will have one entrance/exit and 3 fire exits. Families will not be allowed into the building with their students. (Because AASD has changed their Fall Schedule to be On-Line only, the Neighborhood Nursery School will not start meeting in-person until a later date)
- Starting immediately, John Stangel will be handling the technology portion of the Sunday Services. This decision was made to limit the number of household's in the building on Sunday's.
- Staff is again working from home, the building will be locked at all times. Please contact Pastor Kurt directly for any pastoral needs.
- There will be a Synod Wide Service provided by Church of the Wilderness in Bowler, WI – 8/23
- Returning to church Task Force updates:
  - Seven areas of service have been identified by the Task Force to help to open church safely once the pandemic is under control. Worship will look very different once we can meet in person again.
  - A survey will go out to all members this summer/fall regarding their comfort in returning to the building for services, and ways that can make everyone comfortable and safe.
  - We need refer to the Church Mutual Insurance documents and the Badger Bounce Back recommendations as we move toward reopening.
  - We will need supplies, such as Hand Sanitizer, Thermometers, Cleaning supplies, etc.
  - Please contact the church office if you are interested in helping with any areas of reopening.
- Pastor Kurt and Brett will continue with daily devotions on Facebook, 9am and 12 noon.
- A special Thank You to all of our members that continue to support the mission of our church, we are currently in a financially stable position and appreciate all the ongoing support. Because of steady income and reduced expenses, we have made the decision to not renew our Line of Credit loan. We will be paying off the approximate balance of \$30,000.
- At this time we are planning on having Sunday School start on October 4, Virtual only.
- Confirmation students who completed their studies in the spring will be confirmed in a Parking Lot Service on Oct 25. Families will remain in their cars during the service.
- A special Thank You also to Pastor Kurt, Deacon Brett and Laura for doing such a great job during these unusual times.

We closed with the Lord's Prayer.

We adjourned at 8:10.

Respectfully Submitted,  
*Lori Knoke*, Council Secretary

Council Meeting:
