

OSLC Confirmation Service Hour Form

Name:

The purpose of service hours is simply to give you a taste of serving. In the process, we hope that you will find how God has gifted you so that you may continue a life-long journey of service to the community and the local church. We are each gifted in unique ways, so feel free to serve in a way that you are passionately wired for...Meaning, find something you love to do and use it to serve others! Each month requires 5 hours (can do more) of service. The year total is 35 total service hours. You need to do some at OSLC in addition to doing some in the community or your school. Blessings on your time of service!
