So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up, or quit. Right now, therefore, every time we get the chance, let us work for the benefit of all, starting with the people closest to us in the community of faith.

QUAKE

YOUTH ENCOUNTERING THE GOSPEL

Friday, Feb 11th - Sunday, Feb 13th
Wisconsin Dells

What is Quake? Quake events are weekend retreats created specifically for youth in grades 6-12th grade. Quake encourage teens to become established in their faith, empowered, and enabled to live a life of ministry and leadership.

Quakes theme?

The 2022 Quake theme is Courageous. We have been saved by a loving Lord who courageously battled the forces of earth and hell and was victorious. We who have the Crucified, Resurrected and Living Christ living in us are empowered to live courageously as the Holy Spirit leads us in our journey of life. Our God will be with us wherever we go and we will be more than conquerors even in the scary and disheartening events and situations we encounter.

Contact Sam@OSLC-Appleton.org if you would like to know more!!

Attention 8th-12th Grade!!!! ELCA Youth Gathering Overview

Every three years, 30,000 high school youth and their adult leaders from across the Evangelical Lutheran Church in America gather for a week of faith formation known as the ELCA Youth Gathering. Through days spent in interactive learning, worship, Bible study, service and fellowship, young people grow in faith and are challenged and inspired to live their faith in their daily lives.

An important part of the Gathering's ministry are the two pre-events, the Multicultural Youth Leadership Event (MYLE), a faith formation and leadership development event primarily for youth of color, and the table, a gathering that brings together, blesses and empowers youth with disabilities.

**2021 Stewardship Theme:
"In Plenty or In Want"**

Thank you for being such a vital part of Jesus' ministry through Our Saviour's Lutheran. Little would be done without your help.

The attached Intention of Giving Card for 2021 is your opportunity to continue to help Jesus change the world through the ministries of Our Saviour's Lutheran.

Please consider the following:

- + Faith Formation of our children, teaching them about Jesus, happens because of your money.
- + Worship for hundreds each week happens because of your money.

+ New pastors and deacons are educated in seminaries to help lead the church because of your money.

+ 42 seniors have affordable housing at Fox Valley Lutheran Homes in Appleton because of your money.

+ The ill, the hospitalized, the homebound, the distressed and lonely are visited because of your money.

+ The choir beautifies worship because of your money.

+ The cold are covered with quilts locally and around the world because of your money.

+ Hundreds of little girls around the world are made safe by wearing pillowcase dresses because of your money.

+ Hundreds of students in the Fox Cities are able to concentrate better at school by using "fidget mats" because of your money.

+ Hundreds of people are feed, sheltered and kept safe through the Salvation Army, St Joe's Food Pantry, Loaves and Fishes, Harbor House, Pillars, the Thanksgiving Food Drove – and many more services, because of your money.

This is just the "tip of the iceberg" of the ways your money – in very real and tangible ways - makes Christ know and changes lives internally here at OSLC and in our communities and around the world.

Please Give Your Money
IT DOES MAKE A DIFFERENCE!

Dedication Thursday/Sunday is November 18/21

- Turn in your Intention of Giving Card one of those days during worship.
- You can turn it in before or the week after if you're not able to attend Celebration of Gifts Thursday/Sunday

Grace and peace,

What Women Want with Jean Chatzky Thursday, Oct. 7th at Noon

As a woman, what do you want to accomplish with your money?

When it comes to money, women are different. Not just by the numbers -- the pay gap combined with breaks from the work-

force to care for kids and older parents can result in lower retirement balances which often have to last for women's longer lifetimes -- which are challenging enough. But when it comes to what we want to do with our money, and what we need it to do for us. In this candid and funny webinar, learn Jean's three-part plan that involves understanding yourself in relationship to money, how the need for safety and security (while understandable) can hold women back, why investing for the long-term is non-negotiable, and how to use the rewards you may reap to accomplish the other things women want most including establishing a legacy, being able to take care of the people we love, and feeling free to enjoy this life that we've built.

Jean Chatzky is the CEO of HerMoney.com and has been the financial editor of NBC Today for 25 years as well as the Financial Ambassador for AARP. She appears frequently on CNN, MSNBC and was a recurring guest on The Oprah Winfrey Show. She is a New York Times and Wall Street Journal best-selling author. Her latest book is *Women with Money: The Judgment-Free Guide to Creating the Joyful, Less Stressed, Purposeful (and Yes, Rich) Life You Deserve*.

All are welcome, we encourage you to share these opportunities with others who might be interested in learning more! Click here to register: https://thrivent.zoom.us/webinar/register/5116324076702/WN_EFVBgTUASmqsT0KnZxpo6g
