Under construction

website

We are in the process of overhauling our church website and Newsletter. Our website will become the main tool for all activities and information for OSLC. With the standing of being environmentally friendly and budget conscious, paper print outs are falling by the wayside and digital technology is at the forefront. Starting with the December issue, we will be greatly scaling back on the information in the Our Glass Newsletter. It will no longer contain repetitive information, but display brief, new and upcoming events. We will still include the monthly calendar, which will have the activities/date/times of events taking place each month. This calendar will also be available on our Website, as well as detailed listings of all of our study groups, activity groups, Youth information and much more. In conjunction with our website being the main "go to" source of information for OSLC, we will continue with "Stuffs Happening" and the scrolling announcements found on the large media screens before and after each worship service. This is an exciting step forward on the digital information highway for getting OSLC and all we are, out there for others, as well as ourselves, to see and explore!

New members are always welcome. If you would like to donate breakfast bars or oatmeal packets, there is a tote in the Narthex for the collection.

Altar Flowers

If you would like to have altar flowers placed on the altar (in memory, honor, or celebration of someone or something), there are two options available for you.

- 1) With the increasing costs of fresh flowers, the arrangements have become less and less. Moving forward, you can have the church pick up a pre-done bouquet or arrangement for \$40.00.
- 2) Bring your own fresh floral arrangement to have at church by Thursday Worship at 6:30pm.

Growing in Gratitude

People of Our Saviour's,

Your generosity has provided many opportunities to learn, to grow, to reach out and help those in need, gather together socially, and worship together. Below is the intent card for your 2023 giving through OSLC. We are asking members to form a goal of giving for the year ahead and share your intention with the church. We will collect these intentions on Sunday, October 16th. You can mail your intent card back to church, hand in when you are at church by placing in the offering box with any other gifts, or fill out the form and submit online through our website. Visit www.OSLC-Appleton.org, hover over giving/serving, and choose Stewardship.

These intentions help as we start to plan for the year to come and keep our many church ministries going and growing. Every bit counts as we Gather, Grow, and Go while Loving God and Loving Others. Thank you for being a part of OSLC and the numerous ministries!

Steph Gifford, Stewardship Chair

Please complete the form and return to the office.

Thank you!
