## The Same Love

Only 11 Of 30 days of this April are forecast to have rain – only one third of them, which truth be told isn't all that much – to bring in the May Flowers.

This has gotten me to thinking about how we all live out our lives of faith, of "walking wet" as the baptized. Plenty are the times for every one of us to have only a third of our lives be given over to following Jesus, to Loving God and Loving Others.

How do the "May Flowers" – the fruits of faith bloom when we are only one third in?

There are so many reasons for this – but at the end of the day I believe it's because we all have a difficult time trusting the Easter message that Jesus died and rose for all of humanity and we get stuck – not really believing it for ourselves and certainly not for all others.

A miracle of the Easter story is that when Mary came to the tomb, she was afraid, confused by its emptiness and not sure what else to do. This so overwhelmed her that she couldn't see Jesus standing right in front of her. Couldn't see Jesus until he spoke her name, "Mary" again. This resurrection relationship changed everything – again – for Mary and she again began to "water the world" with the Good News of Jesus through her words and deeds.

So listen to Jesus – whom you might not even see, who is standing

BREAKTHROUGH is based on the inspirational true story of one mother's unfaltering love in the face of impossible odds. When Joyce Smith's adopted son John falls through an icy Missouri lake, all hope seems lost. But as John lies lifeless, Joyce refuses to give up. Her steadfast belief inspires those around her to continue to pray for John's recovery, even in the face of every case history and scientific prediction. BREAKTHROUGH is an enthralling reminder that faith and love can create a mountain of hope, and sometimes even a miracle.

### Announcing . . .

Susan Kulkarni has accepted the position of Vice President of your OSLC Council. Therefore, we are pleased to announce that John Stangel has accepted the call to be on Council and head the Worship & Music Committee. We are very excited; welcome, John!!

Many of you already know John as the director of the choir, since Sept. of 2009. Now that he retired from teaching, John wanted to serve the greater community/church and felt this position is just what he was looking for. We couldn't agree more!!

John has been married to Karen for 32 years. (You may know her too—adult choir accompanist, worship accompanist, and music ministry coordinator.) They joined OSLC 14 years ago when they moved from the Sturgeon Bay area. OSLC felt welcoming and they loved it. John and Karen have two grown children, also musically gifted!

John is enthusiastic about his role as W&M. He's so grateful that there are some key people already on the committee. John enjoys music, golf, woodworking, and more music. His experience is impressive with 32 years as a music leader (Asst. Conductor of NEW Voices 6 yrs, adjunct Prof. UW-O 13 yrs, choir director at OSLC 9 yrs & Hope UCC in Sturgeon Bay 16 yrs, Doerf Kap-

### They're baaaaack . . . !!

Much like a boomerang, some trends come back. Among fashion trends, there are many things that are in style, go out of style, and then come back in vogue again; for instance the fanny pack (or bum bag in British, waist bag or belt bag) has been resuscitated from the

fashion ashes.

On the radio this morning, I heard that there is something else that has made a significant comeback . . . the physical, printed on paper, cookbook. That's right folks! Even with all the recipes on-line and cooking apps, there has been a resurgence of cookbook sales. Up 25%!! *Why?*

- ♥Folks are seeking comfort in a chaotic & uncertain world, spending more time at home nesting
- ♥It's a break from “screen time” (and the cookbook doesn't go to sleep and need to be awoken while your hands are full of stuff that needs to be washed off)
- ♥An opportunity to make memories (even the stains & splatters left behind are a reminder of a story)
- ♥You can write notes and fold over the corners
- ♥It's a legacy you can pass on to loved ones

OSLC recently published a cookbook filled with delicious recipes gathered by our congregation. We still have copies available and they are only \$8 each. See Laura or

### Big News!

#### \$50,000 Matching Grant!

Yes, Fox Valley Lutheran Homes has been amazingly gifted by Mary Beth Nienhaus, well-known Appleton philanthropist, for her gift of a \$50,000 matching grant! The Grant Kick-off date is March 1, 2019!

For every dollar that is given to Fox Valley Lutheran Homes in March, April and May of 2019 for the elevator campaign, Mary Beth Nienhaus will match it 1:1, up to \$50,000! Our central elevator in the apartment building is wearing out. Like the building itself, it is reaching it's 50<sup>th</sup> birthday this year, and it has outlived the general life expectancy of most of its parts!

A special event is planned for May 3rd. A concert featuring Eric Diamond, a Neil Diamond Tribute Artist, will take place at the OuterEdge Stage in Appleton. You can purchase tickets by going to our website [www.fvlhomes.org](http://www.fvlhomes.org) or by calling our office at 734-7225 during office hours. There is also a link to make donations on our website. Thank you in advance for your contributions to help keep our present and future tenants at Linwood Place able to move about their community here at Fox Valley Lutheran Homes with ease! Thank you for making a difference and being a part of our community!

In worship we remember who and whose we are as God's people. Our worship is rooted in a specific context and in the vibrant diversity of the body of Christ. Come discover what our liturgical practices reveal about our understanding of God's story and the body of Christ. This event which is led by global musician-educators, help us to explore concrete ways in which worship through music, art, and narrative builds our ability to be rooted in our context while bridging cultural differences in our communities.

The Global Musician-educators were formed by the ELCA Global Mission Unit to provide music and worship leadership for the Global Gatherings hosted by ELCA synods, congregations and other communities throughout North America and the Caribbean. Through its intentional

diversity -including representation from many countries, denominations, and several cultures-the group embodies ways to stand in mutual solidarity while amplifying marginalized voices to discover anew how, in Christ, we are connected to a world that God so loves.
