A note from the Pastor

“Everyone who drinks of this water will be thirsty again, but those who drink of the water that I will give them will never be thirsty. The water that I will give will become in them a spring of water gushing up to eternal life.”

- John 4:13-14

Hopefully you will recall back in March when Jesus met the woman at the well in John’s gospel, he described himself as “living water.” Those who follow him will be full of the Spirit. They will have plenty, as if there were a spring of water gushing up inside of them. It is an image of abundance, one of having so much that it just cannot help but spill over.

There was a young boy who lived in the country. His family did not have any running water, so he had to travel across the farmyard each morning to reach the well, fill up a bucket, and carry the water back to the house. It wasn’t a short walk, so it took a while for him to get there, fill up the bucket and walk all the way back. The boy would try and fill the bucket to the very top so he could bring back as much water as possible. As he walked along back to the house, water would inevitably begin to splash over the side of the bucket and fall on both sides of the path to the well. This happened every day and the boy never seemed particularly bothered by the water spilling out as he walked. Eventually, the flowers there grew taller and more beautiful than anywhere else on the farm.

Now, even though the boy was not bothered by the water splashing out of his overflowing bucket, his father was. The father had watched him frequently and noticed the seemingly careless way he was transporting the water. He tried to keep it to himself, but noticing this was a daily pattern he decided to say something. He called him over one day and said, *“Boy, each day when I see you coming back from the well, you are splashing water all over the ground as you walk back. We need that water for the house, not to be wasted. Can you try and be more careful?”* The boy replied and said, *“I’m sorry. I didn’t mean to waste the water, Daddy. But the bucket can hold so much, so I thought I would share some with the flowers.”*

Sometimes I think we can approach the bucket of our lives with a mentality of scarcity, like we are afraid we might lose something or not have enough for ourselves. This is different from the way of abundance that Jesus frequently talks about. As we see in John when Jesus talks about living water, there is more than enough of God’s grace to go around and when it fills us, it is going to spill over on to others. What a great reminder as we walk through the season of Easter!

As we move forward into God’s intended future for us here at Our Saviour’s, I wonder if grounded in the Lenten practices of repentance and restraint, we can focus during Pentecost (and beyond) on gratitude, grace, and growth?! The sacred texts of Easter are literally brimming with the promises of God’s abundance and expansive grace. We’ve done nothing to deserve this gift, yet, like water in a full bucket, it spills over. We are given an Easter invitation to live authentically into who we are and to counter scarcity and injustice with every step, letting grace pour out along the way wherever it is needed.

How might you share some extra grace every day??

Peace ... Pastor Kemp

Plastic bags, wrap, and packaging

Our Saviour's is committed to a year long earth day project of collecting plastic for recycling. We were so successful in the past that we are continuing the project. Please bring in your plastic recycling and put it in the bins in the narthex. There is a poster describing the types of materials we can accept. Pretty much the same as what you would take to the grocery store.

Also we need members to assist with taking the collected plastic to Pick N Save, our local drop off site. Please talk with Sam or Winnie if you want to help.

Attitude of Gratitude

THANK YOU!

East Central Synod of Wisconsin
Evangelical Lutheran Church in America

March 28, 2023

Dear coworkers in the gospel,

Thank you for the financial gifts you have shared so generously with the East Central Synod of Wisconsin. Together, our resources do something greater than any one of our communities do on our own. In 2022 your gifts were a part of...

- Coordinating and communicating a response to raise funds for refugee relief in Ukraine through Lutheran World Relief.
- Supporting 25 leaders in seminary who are training to become pastors and deacons in the church.
- Providing resources like anti-bias training, continuing education for parish administrators through ad+ministers, providing a robust theological conference for pastors, and bringing the synod youth gathering back to life.
- Walking with 30 congregations in transition who are seeking their next called pastor or leader.
- Strengthening congregational vitality through conversations around healthy governance and care for leaders and congregations in conflict.
- Dreaming with leaders all across the region to envision bold new ministry opportunities in the name of Jesus; including a new mission start exploration for Lutheran Campus Ministry happening in Green Bay.

We have been able to do so much good, courageous and important work together because of you and your partnership in the gospel. For what you have shared in Christ's name, thank you.

Thank You

for supporting our Youth who will attend the High School Mission Trip to Chicago by participating in the Palm Sunday Brunch! Thank you to all our volunteers & to Thrivent for helping us put on this event. We couldn't have done it without you!

If you have any activity/event you'd like to recognize any volunteers, please get in touch with Stephanie Gifford at lenzx047@gmail.com or 920-562-9513 and we will include it next time!
