## EASTER GREETINGS!

As we journey from the reflective season of Lent into the joyful festival of Easter, we extend our deepest gratitude for your generosity and faithful commitment to serving others. Your engagement in our Lenten discipline of donating essential items for the students enrolled at CT State Capital Community College is a powerful testament to the love and compassion we are called to embody as a faith community. Your prayerful contributions have provided tangible support and encouragement to those in need, affirming their dignity and worth.

As we follow Jesus into this season of resurrection and renewal, we invite you to continue sharing the joy of Easter by participating in the *Alleluia Offering*, which supports our *Church Street Eats Program*. Serving hundreds of individuals in need each year, Church Street Eats provides meals and a welcoming space for fellowship and conversation in our Cathedral Dining Room. This ministry is a source of nourishment for both the body and the spirit, offering community and care to all who walk through our doors. Church Street Eats has also sponsored our “Advent Meals” and “Lenten Meals” ministries, which unite our Church Street Eats guests with our Cathedral congregation.

Your generous donation to the *Alleluia Offering* will help sustain this life-giving ministry, ensuring that we can continue to extend hospitality, dignity, and hope to those we serve. We invite you to join us in making a meaningful difference by contributing to this vital initiative.

May this Easter season fill your hearts with joy and renewal and may the blessings of Christ’s love continue to inspire us all to serve with generosity and compassion.

With gratitude and Easter joy,
