

Book Lovers club

Hey kids! Join the club.

Read Books, Win Prizes.

The more you read, the more you can win!
Back for another summer of enrichment, prizes,
and cover-to-cover fun!

Dear Kids!

Join us for a summer of page-turning action and fun.

Oh, the places you can go and the people you can meet! When you curl up with your favorite book, you can be a part of the action from the comfort of your seat. It's a great way to discover what life was like years ago or in a different country, or to connect with present-day characters who experience struggles that you can relate to. Reading is a window into a whole new world.

With the Booklover's Club summer reading program, Menucha Publishers Education Division invites you to experience the joy of reading – and earn great prizes while you're at it.

Here's how it works:

1. **Keep track** of the titles you read on your personal log.

2. **Review** the title you read. Tell us if you **liked** it and why.

3. **Send your completed log to:**
Menucha Publishers
1235 38th Street
Brooklyn, NY 11218
Entries must be received by October 1.

4. Enter the drawing to **win fantastic prizes.**

**Every kid
is a winner!**

Receive a free surprise gift just for participating in the program.
Prize will be mailed to all participants.

You're a Character!

Think of a book you've read recently and imagine what it would be like if you were the main character. Rewrite a short scene from the book - and make yourself the star!

Title

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Now that you've written the scene,
use the space below to bring it to life
with a drawing of the characters.
Don't forget to include yourself!

Now, draw your own comic! Use the panels below to create a story with words and pictures from your own imagination.
