Contact Information: AANE NY provides one-to-one advocacy support and referral. Our resources are a simple email away. Use our online *Contact Forms* to provide your information and get the support process started. The online form can be found on our website at <https://www.aane.org/about-us/contact-us/>

Meeting Information: AANE NY has several groups to meet your individual needs. All are welcome to attend. Pre-registration is not required. Contributions to AANE are encouraged to support our continuing efforts to educate, advocate and create activities for individuals and families. Children will not be admitted to meetings; we regret any inconvenience, but the presence of young children is distracting to participants.
