

HARRISBURG SUBSTATION AT A GLANCE

OVERVIEW

We're enhancing METRO's safety presence by establishing a dedicated, 24/7 hub along Harrisburg Boulevard. This new facility improves response times and fosters a stronger, more direct connection with Houston's East End.

OPERATIONS & DEPLOYMENT

- Assigned officers specifically to this substation
- Dedicated patrols and vehicles for rapid response
- Coordinated real-time response with dispatch
- Enhanced 24/7 community assistance

LAW ENFORCEMENT PARTNERSHIPS

- Offers facility access to law enforcement partners
- Supports coordinated responses and joint operations
- Strengthens regional safety collaborations

COMMUNITY ACCESS

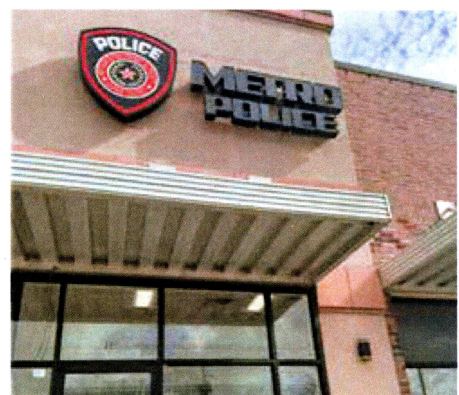

You can now:

- Report a crime
- Connect with officers
- Alert police of suspicious activity
- Share system concerns

WHY THIS MATTERS

- Expands visible police presence
- Improves response times
- Builds stronger community relations
- Supports a safer transit system
