September 23-25, 2022
"Let's Fish or Cut Bait!"
Matthew 4:18-20 and John 21:1-14

Keynoter Rev. Nancy Oliver will lead us through a creative exploration of the focus scriptures. Jesus called us to fish — for people! How do we mobilize, unify, inspire, involve, and act to accomplish that? How do we support one another as we "fish?" You will not want to miss these fishing lessons!

Music will be led by Ann Edmondson, Minister of Music and Outreach at First Christian Church of Atlanta. Ann has been a full-time music educator for many years, and she serves with joy.
