

HOW TO BE A GOOD FRIEND ON SOCIAL MEDIA

Follow our 5 Simple Rules

What goes online stays online.

Is that the image you want to share with your family, or future husband, employer, or admissions officer?

Would you say that to someone's face?

You have a choice! Choose to make positive comments. If you don't have something nice to say, don't say anything at all.

Check your privacy settings.

It's fun to share your selfie at a party but publishing personal information like your name, birthday or location can put you and your friends at risk.

What if someone published a photo like that of you?

We all want to look our best in photos and so do our friends. So show your friends you care and ask before you post!

Don't be a cyberbully!

Cyberbullying is hurtful and illegal. Don't send hurtful texts, emails or post embarrassing pictures, videos or comments. If you see something inappropriate, report it to the website administrator.
