Christian

Learning

Topic:

The Boy
Jesus in
the
Temple,
Baptism of
Jesus

Additionally...

- You may opt to bring a **healthy** snack during the week of ITBS Testing next week, see the Sign Up Genius.
- The Book Report and Book It Reading Logs are due next week.

Math

This week students have been working on adding and subtracting the value of coins and dollar bills, multi-step word problems with money, and an introduction to telling time. These are fun topics with a direct and immediate application to real life!

Reading & Writing

In Writer's Workshop students continued their imaginative narratives with a problem and solution plot. They are working hard to enhance their stories by adding a LOT of detail. To warm up our brains for ITBS testing next week we spent reading group time identifying the main idea and supporting details of nonfiction and literary texts as well as answering comprehension questions with multiple choice answers.
