GREETINGS FROM THE PRESIDENT & CEO AND CHAIRMAN

COMMUNITY FOUNDATION of ORANGE and SULLIVAN

Greetings friends, neighbors and colleagues,

As a community foundation, our ability to give out funding relies on the generosity of those who care about creating a better today and tomorrow for others. We continue to be inspired by our fund holders, community partners, volunteer leadership, and all those that have collaborated with us to promote the well-being, vibrancy, and philanthropic spirit of the communities we serve.

Since 1999, your Community Foundation has provided trusted support for donors who have planted the seeds of support that continue to grow into an enduring community resource. During fiscal year 2016-2017, grants and scholarships totaling **$1,168,404** were distributed to valuable nonprofit organizations, educational scholarships and support of other important charitable and community projects. And through the generosity of many thoughtful individuals and forward-thinking nonprofits from throughout the region, **39** new charitable funds were established at CFOS this year, bringing our growing family of active funds to over **240**!

Together, we continue to make our communities a stronger, healthier, more vibrant place for all. Your gift of money, resources and time is an opportunity to make a difference in the world, and we thank you for that!

Yours in service,

Elizabeth Rowley

"My wife and I heard very good things about the work of the Community Foundation of Orange and Sullivan. We moved our son's Memorial Fund to the Foundation in 2016, and couldn't be happier that we did. We received excellent guidance and understanding in what we wanted to accomplish in memorializing our son's memory. We are now able to see the success of our venture continue through excellent investing and management. I can't say enough about the wonderful staff at CFOS, they are always there for us for anything we need. Best move we have made in a long time."

TESTIMONIALS

We joined the family of CFOS almost 10 years ago when our son Keith unexpectedly passed away at 20 years from a debilitating progressive disease. Although Keith was physically compromised, unbeknownst to us, our son was mentoring people his age on-line on how to deal with their own disabilities. CFOS has given us the opportunity to become the "voice" that our son no longer could be through giving grants to various organizations for people in need.

—Sadler and Sheila Hayes, The Keith B. Hayes Foundation

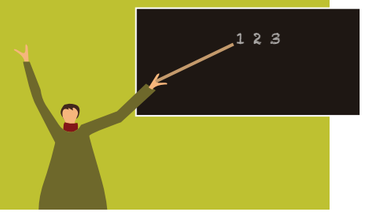

When my husband passed suddenly and tragically I had no idea what to do. The Community Foundation was not only a great shoulder to lean on, but gave me such support and ideas to really carry on my husband's legacy. His memory of love, giving, determination and spirit is now being carried on in such a special way that I wouldn't have been able to do on my own. The Community Foundation has really helped me heal and share his dreams with so many more people and for that I will be forever grateful.

—Heather Howley, Marius Ivascu Aviation Foundation

With the help of donations such as yours, the pantry is able to provide emergency food for an average of 200 families per month in the Valley Central School District including over 200 children under the age of 18. We would be unable to provide this service without your continued support.

—Judy Gridley, Montgomery Food Pantry, on receiving a grant from the St. Pat's Ramble Fund

Pets Alive is honored to be a recipient of the Hudson Valley Animal Shelter Grant and are thankful to the Rowe family who created this opportunity for animal welfare organizations in our region. We will use the funds to procure a snow blower to help clear our vast property during the winter months so we can quickly and safely get into the buildings to care for the animals at our facility.

—Becky Tegze, Executive Director, Pets Alive

Thanks to your generosity, we will meet our mission to assist those with mobility needs through education, information and product acquisition. Your support will allow us to assist individuals and families achieve their goal of mobility freedom! Thank you again for your support of The Ralph Braun Foundation.

—Andrea Vrobel, The Ralph Braun Foundation, on receiving a grant from The Keith B. Hayes Foundation

As someone who is involved with many community activities, I always think of The Community Foundation of Orange and Sullivan first. CFOS is a great partner! They make everything smooth and easy. The committees to raise money to help the families of the Marines lost in the tragic plane mishap earlier this year, as well as the committee that sponsors the Military Appreciation Picnic at Stewart both partner with CFOS. More than "an organization," the staff of CFOS are phenomenal to work with.

—Alan Seidman, The Military Appreciation Day Fund
