

## **IFMA OC/UCI Extension FM Intersections – Imagination, Initiative, Interaction, Innovation Call for Presentations**

IFMA OC and UCI Extension are sending out this Call for Presentations for their upcoming educational seminar on February 2, 2017 at the UCI Student Union.

Each Presentation is scheduled for an hour in length. The topic can be any topic you would like but it would be preferable if you could approach the subject utilizing the theme of the seminar - FM Intersections – Imagination, Initiative, Interaction, Innovation.

Please complete the following and forward it to the IFMA OC administrator at [mluk@associationplanet.com](mailto:mluk@associationplanet.com)

**Title:**

**Abstract:**

Describe what you are going to present and why the seminar participants should attend your presentation (the abstract should be close 250 words)

**Learning objectives:**

Please list three to four key learning objectives for your presentation.

**Speaker bio:**

Please keep to 250 words

**Speaker experience:**

List other conferences/seminars where you made a presentation. Please include year and title.
