

This Mother's Day, Give the Gift of Clean Water to Families in Need.

During April, donate \$75 or more to our **MOTHER'S DAY CAMPAIGN** and receive a gift card. Your donation will sponsor a Water Woman, and will allow four families access to clean water and a healthy life for years to come.

Water With Blessings equips, empowers and entrusts mothers as agents of clean water and compassion for their own communities.

Give a Gift, Get a Gift!

Use our special Mother's Day link and receive a \$10 Kroger gift card or surprise-value gift card (worth up to \$50) from Nanz & Kraft with your donation of \$75 or more.
