

Texas teachers, donors want to help fulfill your classroom wish list!

#TeachersCan is partnering with DonorsChoose through a matching campaign to help companies and individuals support teachers through donations to fund classroom projects.

Our Goal

to raise a total of
\$1.5 million
to help Texas teachers.

How Does it Work?

- 1 Teachers add their wish lists at DonorsChoose.org
- 2 Donors search for topics, teachers, schools, or regions to support
- 3 Individual donors contribute to fund specific projects
- 4 #TeachersCan partners match up to \$500,000 to double the impact

**DONORS
CHOOSE**

Teachers, upload your wish list by April 26!
