

Welcome – “Going to a College Fair?”

We wish you luck as you explore post-secondary options. All representatives are here to assist you and answer your questions. You may use the following questions as a guideline for getting better acquainted with these options.

- What are your admission requirements? What happens if I don't have all of the necessary requirements?
- Which standardized test scores do you require? (ACT, SAT, etc)?
- What type of school is this? (public, private, career focused, technical)
- I'm interested in studying _____? Do you have this?
- What type of degrees are offered in this area?
- I am not sure of what I want to study, how does your school work with undecided students?
- Does this school require general studies? When do I declare a major and how can I change it?
- When can I visit? How do I arrange a tour?
- What are the application deadlines for admission?
- How long should I expect to wait for an answer once I submit my application?
- How important is my advisor? What kind of mentor programs does this college have?
- What branch of the military do you represent?
- What financial support do you offer?
- How many years of service must I sign-up for?
- What types of jobs are available in your branch of service?
- What educational opportunities and option does your service provide?
- What is the TOTAL cost to attend this school? What does that include? (tuition, housing, fees, books)
- How does your school decide how financial aid is awarded?
- What type of aid is included? (Scholarships, grants, loans, work study)? How do I apply?
- When is your financial aid deadline?
- What is the average class size?
- How accessible are professors outside of class?
- Will professors or graduate students teach my courses?
- What kind of grading system does this school have? How is college credit earned?
- How does your campus work with students who transfer in/transfer out?
- Do I need a computer?
- Do you offer tutoring if I am struggling with a class?
- What kinds of services are available to help students deal with academic pressure, health issues, personal counseling, and loneliness?
