

Science on Saturday

When: Saturday April 21st

Who: Students in grades 1st-6th

Where: Nobel Hall of Science,
Gustavus Adolphus College

Cost: \$8 per student, payable at check-in on
April 21st

Gustavus Students from the Chemistry, Physics, Geography, Geology, Biology, Botany, and Neuroscience Clubs will lead a variety of science demonstrations and experiments. Your child will have the opportunity to participate in experiments, learn basic science principles and have fun! We are excited about this experience and hope that you will join us!

Sincerely, The Gustavus Chemistry Club

**Preregistration required by Wednesday, April
18th**
