CATHOLIC
SCHOOL

2018/19 Preschool/Pre-Kindergarten Options

All Loyola preschool classes offer a balance of age-appropriate academic and social experiences for young children. They develop socially through interacting, sharing, singing and dramatic play activities, and they develop spiritually by praying together daily.

2 Day Preschool The 2-day morning program is for 3 and 4 year olds, and provides an environment that promotes acceptance and belonging in a group situation and provides activities designed to engage and challenge at this age. This program nurtures a sense of comfort with school routines and environment, while extending a child's trust in separation from parents. Children visit the Library weekly. This is a great first preschool experience for both child and parent. Children must be toilet trained and 3 years old by September 1.

3 Day Preschool Our 3-day morning program for 4 and 5 years olds starts to prepare children for Kindergarten and provides a nurturing environment that promotes a sense of personal responsibility, independence, and comfort with school routines while recognizing and affirming strengths and talents. This program includes a stronger focus on academics, while emphasizing the need for play and social interaction. The class visits the Library weekly. Children must be 4 years old by September 1.

5 Day Preschool Loyola's 5 day preschool is designed for children who are ready to experience more in a school setting. Appropriately designed curriculum is tailored to fit and nurture the needs of 4-5 year old children. They will be introduced to experiences in problem-solving, critical thinking, and reasoning, all to prepare the child for future school years. We provide opportunities to grow in all areas of development: physical, linguistic, social, emotional, and mental. Academics focus on handwriting, math, and alphabet, and Library time; outside time and physical education are also part of the curriculum. Children must be 4 years old by September 1.

Preschool Plus+ Today's busy family schedules often require full-day childcare. Loyola's Preschool Plus+ provides a safe and nurturing environment for our morning preschool students where children will continue to develop a love of learning and form lasting relationships. This program includes additional learning opportunities, nutritious snacks, lunch time (provided for an extra fee, or brought from home) and a quiet time for rest or naps.

5 Day Pre-Kindergarten Loyola's PreK class is best suited for children who have already experienced a preschool class, and runs as a full school day, preparing students for kindergarten the following school year. Curriculum includes literacy and math, handwriting, music, phy ed, Spanish and Library. Daily activities also include snack time, lunch time (provided for an extra fee, or brought from home) and a quiet time for rest or naps. There is a required assessment for each child prior to acceptance in this program, to ensure the best possible learning environment for the student. Children must be 4 years old by September 1.

2 day morning for 3 year olds

T, TH: 8:00am-11:00am
\$1050.00/yr

3 day morning for 3 & 4 year olds
