

Dear Friends,

We are cordially inviting each of you to our upcoming international congress in **Passau, Germany**, to be held in **IBB Hotel**, from **March 24 - March 28, 2017**.

The exact dates are:

Congress and Api-Expo : March 24-26

Post-Congress Tour: in the afternoon of Sunday, March 26th.

Workshops for beginners and advanced practitioners: Monday and Tuesday, March 27-28.

One of the major topics this year, besides the medicinal beekeeping, the bee products quality and the pharmacological properties will be the wound management with all beehive products (honey, propolis, royal jelly, bee venom...).

Also, we will have many other oral and poster presentations on the clinical applications of beehive products, including of the already famous beehive air.

If you or your best friends are interested to come to one of the best cities in the world, with a highly interesting history and a vibrant modern life (students from over 30 countries are studying in Passau), please let us know.

As we highly respect our speakers, this year too we will offer free of charge registration for all of them.

Please contact me, off the List, to drstangaciu@gmail.com for more details.

Happy regards... und **Bis bald** in Passau,
Stefan

See page 2 for more details.

Dear wonderful Api-Friends from all over the world, I have updated our website with the Congress pages.

You can see them now in: <http://apitherapie.de/en/veranstaltungen/kongress-2017/>

Please mark in your calendar these important dates:

March 24-26, Congress and Api-Expo

March 26, in the afternoon, the post-Congress Api-Tour (best time to make or consolidate your new api-friendships)

March 27, Apitherapy for Beginners

March 28, Apitherapy for advanced practitioners

Venue: same as in the last years, [IBB Hotel City Centre](#), a very friendly and harmonious hotel located near Danube River in Passau.

[Passau](#) is one of the most fascinating and friendly city in the world, with students coming from over 30 countries, and I recommend all of you to see it at least once in your life...

Please share this message with all your friends, colleagues and dear ones, including in Facebook, Twitter, etc.

Just spread the word...!

Vielen dank im Voraus!!!

Yours all,
Stefan
