

Residency is hard. You don't have to go it alone.

Tune in to the Surviving & Thriving in Residency podcast for real stories and encouragement from others who have been there.

Join **Charley Lowry**, *PracticeLink's* Director of GME & Provider Relations, as he hosts conversations with medical professionals offering advice, support, and insight for students, residents, and fellows.

New episodes every other Monday

Listen on all major services or
anywhere you get your podcasts
