- Eligible for medical licensure in New Hampshire

About our Family Medicine Residency Program

Our aim is to train highly skilled and engaged family physicians in an open and supportive environment with the goal of helping each resident discover their true passion within our specialty. We utilize a "clinic first" approach in both of our teaching continuity clinics, including an FQHC site, and strive to create high-functioning clinic teams to partner with our communities and create welcoming medical homes. We have partnered with the Internal Medicine and Psychiatry residencies at Portsmouth Regional Hospital to establish a teaching center that fosters high quality education across our health system network.

Incentive/Benefits Package:

- Competitive compensation with occurrence-based malpractice coverage
- Comprehensive benefits package including commencement bonus; CME funds and time
- Academic appointment to Tufts University School of Medicine
- Student Loan Forgiveness available for qualifying physicians
