RCM ELDER CARE SERVICES

Excellence in Financial Oversight & Quality Care Assessment

COMPREHENSIVE ELDERCARE AUDIT SOLUTIONS

At RCM Elder Care Services, we understand that navigating the complex landscape of eldercare involves significant financial and quality-of-care considerations. Our specialized audit services ensure your loved ones receive the highest standard of care while maintaining financial accountability and transparency.

OUR EXPERTISE

FINANCIAL AUDIT SERVICES

- Detailed invoice analysis to identify billing irregularities and potential overcharges
- Comprehensive cost comparisons with industry standards
- Provider rate verification and contract compliance assessment
- Identification of duplicate billing and service redundancies
- Full financial projection and sustainability analysis
- Clear action plans for cost optimization

QUALITY CARE ASSESSMENT

- Evidence-based evaluation of care protocols against industry best practices
- Caregiver qualification and scheduling assessment
- Person-centered care implementation review
- Environmental safety and risk management evaluation
- Care coordination and communication system analysis
- Dementia-specific care standards verification

WHY CHOOSE RCM ELDER CARE SERVICES?

INDUSTRY KNOWLEDGE Our team of certified professionals brings extensive experience in both eldercare standards and financial oversight, ensuring comprehensive assessment that addresses both quality and cost concerns.

TRANSPARENT REPORTING We provide clear, jargon-free reports that identify strengths, gaps, and specific recommendations for improvement, empowering families to make informed decisions.

MEASURABLE RESULTS Our clients typically achieve 15-20% cost savings while simultaneously enhancing care quality through our targeted recommendations and implementation support.

FAMILY ADVOCACY We serve as neutral advocates for families, navigating complex provider relationships and ensuring accountability in all aspects of eldercare delivery.

CLIENT TESTIMONIAL

"RCM's audit services identified over \$45,000 in billing discrepancies while also highlighting critical gaps in our parents' care plan. Their recommendations not only saved us money but significantly improved our parents' quality of life and our peace of mind." — Elizabeth M., Toronto
