

# #BACCC BELONG!

Launching a new retail showroom in the Village of Barrington truly involves immersion in the community. Getting to know nearby businesses, cooperation with Village Staff and local, targeted advertising are top of mind for our business.

Our first course of action was to sign up with BACC because understandably, it would assist us in achieving all these goals. Collaboration is the name of the game at the BACC. The staff works diligently and thoughtfully to include its members - providing opportunities for personal introductions, education, networking, community fundraising, event planning and more.

You get out what you put in so earnest participation in the Chamber is the starting point from which you can launch. This community welcomes its members with open arms.
