

# #BACC BELONG!

"Our community encompasses businesses of different sizes and demographics; each needing support and advocacy to reach their full potential. BACC provides resources, education, marketing opportunities, networking, support, and a voice for the business community. BBT has sponsored many of their initiatives and events.

Through BACC we gain exposure for our products and services and build relationships. Being a member of the Chamber makes you a part of something much larger than your website, social media, or street address.

You have friends, colleagues, and supporters from the entire community and beyond. You also have a built-in sounding board for upcoming challenges and changes.

Most importantly, you build friendships and professional relationships that last a lifetime."
