

#BACC BELONG!

I am a Commercial Insurance Agent that focuses primarily on business & health insurance. I joined BACC a few years ago because I'm a Barrington resident and I feel it's important for businesses to support your local Chamber of Commerce. Small businesses are the backbone of our economy, and the Chamber provides invaluable support to small and mid-size businesses and helps make our communities better places to live and grow your business.

I have personally benefited from being involved in a number of BACC groups, such as the Friday Golf League, Young Professionals and the Diplomats. I have also benefited from attending events where I am able to meet and network with many different business owners and develop power partner referral relationships. My BACC involvement has resulted in new clients for my agency.

I am significantly growing my network of business professionals in the community, so I can refer local resources right here when clients, friends, or family have a need.
