### **CHICAGO VOYAGERS**

Member Nominating, Silvia Grabacki  
[www.chicagovoyagers.org](http://www.chicagovoyagers.org)

**ADVENTURE PROGRAMS FOR TEENS:** Giving Chicagoland teens a chance to discover themselves and grow into their potential.

**Our Mission:** At Chicago Voyagers, our mission is to empower youth through adventure therapy programs that foster healthy relationships and skills for life success.

**Who We Serve:** A majority of the youth we serve have experienced trauma and adversity. Many of these challenges are exacerbated by systemic injustices and a lack of resources, including underfunded schools. Chicago Voyagers offers comprehensive supports that help youth grow into their potential. By focusing our services on those facing a dearth of opportunity, we give young people the skills they need for healthy, hopeful lives.

### **FOOD FOR GREATER ELGIN**

Member Nominating, Kathy Chameli  
[www.foodforgreaterelgin.org](http://www.foodforgreaterelgin.org)

**Food insecurity** is more than hunger. Parents shouldn't have to choose between feeding their kids and keeping the lights on. No one should go hungry so they can afford to pay rent, buy medicine, or put gas in the car to get to work.

A full cupboard is the first step out of poverty. Serving up hope, stability, and empowerment. By creating a normal shopping experience, FFGE gives back a small amount of control to our food-insecure shoppers.

**Power:** By creating a normal shopping experience, FFGE gives back a small amount of control to our food-insecure shoppers.

**Peace:** Our guests leave with a cartful of groceries and the security of knowing they won't have to worry about food.

**Promise:** Free of the worry and financial burden of food insecurity, FFGE shoppers can begin to build a better tomorrow.

### **THE HOPE CENTER**

Member Nominating, Alexandra Vikartofsky  
[www.thehopecenter.com](http://www.thehopecenter.com)

No one should have to experience injustice, but so many of us do.

The Hope Center provides support through services including a food pantry & farm, language instruction, legal guidance, job training, parenting support, family resources, and so much more.

**MOST OF OUR SERVICES ARE FREE OF CHARGE.** Everyone deserves access to health, hope, and care. Without exception. Regardless of financial barriers or systemic challenges. Whether you or your family need access to services, or if you want to get involved and make a difference, The Hope Center is for you.

The Hope Center, based in Lake Zurich, Illinois, serves the people of north suburban Chicago through an evolving collection of services and partnerships.
