

MARCH/MARZO 2026 EVENTS

Parenting Communities, funded by the Leelanau Early Childhood Millage through the Benzie-Leelanau District Health Department, is a program that welcomes and includes all Leelanau Families with children ages 0-6. We sincerely appreciate the local community organizations who share their spaces with us, while we continue our program's vision of helping us all be the parents we dream of being.

Todas las familias del Condado de Leelanau con niños de 0 a 6 años son bienvenidas.
