Welcome to Congregation B'nai Harim at the Nevada County Jewish Community Center (NCJCC). We are a diverse, welcoming community embracing traditional and non-traditional families, singles, and both partners of interfaith marriages. We are a Reform Jewish Congregation and Jewish Community Center, and we offer regular religious services, a vibrant Sunday School and Hebrew School, and many other cultural and community celebrations and events.

Our anticipated annual operational expenses per membership unit (individuals/families) for the 2026-2027 membership year is **$1,800**. As a community that welcomes all regardless of financial status, we understand that some individuals/families may be able to donate more while others may only be able to donate less. Together as a community our goal is to meet our operating expenses to continue serving you.
