Subject: ICE Raid Preparedness Checklist & Informational Workshop

Dear Chamber Member,

In light of recent ICE raids, we have been contacted by several concerned business owners seeking guidance. To help you prepare, we have put together this ICE Raid Preparedness Checklist as a resource.

This checklist provides general guidance on steps you can take to ensure your business and employees are informed and prepared. Please note that this is not legal advice, and we encourage you to consult with a legal professional for specific concerns.

Additionally, JobTrain is hosting an informational workshop on February 12, where experts will provide further insights and guidance on this important topic. We encourage you to attend.

Your Chamber is here to support you. If you have any questions or need further assistance, please don't hesitate to reach out.

Respectfully yours,

Felicia Leong
Chief Executive Officer
