

# Commuter Bike Ride Daly City

## BART-->SFState

Daly City Station Daly City, CA

Tuesday, Mar 3 from 8:45 am to 10:45 am PST

Want to learn how to bike from Daly City BART station to SF State? Join us for a beginner-friendly group ride from BART to campus.

Are you interested in biking in San Francisco? Do you take BART to SF State, but then struggle to make that last connection from the Daly City station to campus?

Join the San Francisco Bicycle Coalition and the SFSU Climate HQ for a fun, beginner-friendly group ride starting at Daly City BART and ending at campus. This is a great opportunity to get comfortable with biking in SF, learn about safe bike routes in the area, and meet other students who bike. This ride is a climate solution in action – choosing bikes over cars reduces emissions, improves air quality, and builds healthier, more connected communities.

We will have two group rides on the morning of Tuesday, March 3, 2026 to accommodate students arriving at different times. The first group will ride at 8:45am and arrive at campus around 9am. The second group will ride at 10:15am and arrive at campus around 10:30am.

Hot coffee, hot cocoa, and donuts will be provided. We will also provide free Bay Wheels codes to anyone who needs a bike.

Not sure how to bring your bike on BART? Check out this website for guidelines and information.

Biking is a fun and sustainable way to get to campus and this is your chance to learn how to join in! Everyone is welcome.
