

Join us for a Leadership Council SMC [LEAD Local](#) event on April 27: [Turning Aspirations into Achievement: A Crash Course on Luck](#), with Stanford innovation expert and bestselling author [Dr. Tina Seelig](#).

In this interactive workshop, attendees will gain practical tools to recognize opportunities, navigate uncertainty, and turn setbacks into momentum.

In advance of her upcoming book launch, Dr. Seelig will also be featured on the Mel Robbins Podcast. This session is ideal for business professionals, entrepreneurs, executives, and emerging leaders looking to grow in today's rapidly changing environment.
