

TEFA Funds for School Uniforms

Back-to-School Update | June 2026

Dear Families,

First, we know that there has been a lot of changing information around the use of TEFA funds to purchase school uniforms this year, and we sincerely appreciate your patience as we've worked to navigate this new and exciting policy.

We're thrilled to share that, **effective Monday, July 13**, FlynnO'Hara's uniforms will now be available for purchase using TEFA funds. After raising our platform concerns directly with the state, they have revised their policy to allow us to list **uniform credits** on Odyssey, which can then be redeemed for school uniform purchases both online or in our Texas stores.

To purchase uniforms using TEFA funds, families should...

1. Visit your TEFA student dashboard and search the vendor list for FlynnO'Hara Uniforms
2. Purchase the desired Uniform Credits (amounts: \$100, \$250, and \$400)
3. Wait 1-2 business days for your Odyssey Student Dashboard to show your Uniform Credit Number, and to receive your uniform credit confirmation via email.
4. Redeem your uniform credits by shopping at [Flynnohara.com](https://flynnohara.com), or in one of our Texas Stores.

To apply Uniform Credits as payment at checkout:

- Online: Enter your uniform credit code in the Gift Card / Coupon Code field
- In Store: Share your code at the checkout counter

Please Note: Due to State Regulations, the following rules apply to all TEFA uniform credit transactions:

- The **entire uniform credit amount must be used in a single transaction**. Any leftover funds will be forfeited per state requirements. However, you *can* go back to purchase more uniform credits via the Odyssey platform if you run out.
- There are **no returns or refunds** on any product.
- We can **only exchange products for size**; we cannot exchange for another item.
- Funds **cannot be used to purchase uniform accessories** such as hair accessories or doll dresses.

We sincerely appreciate your patience as we've worked to navigate this new program and platform within the state's evolving legal framework. We are thrilled to be able to offer you the ability to purchase uniforms with TEFA this summer!

Please reach out to our customer service team at (800) 441-4122 or via email to tefa@flynnohara.com with any questions. To stay in the loop on future updates, make sure to [join our email list](#)!

Sincerely,
The FlynnO'Hara Team
