ST. DOMINIC SAVIO
CATHOLIC HIGH SCHOOL

Greetings from the Savio Model United Nations Club!

We are happy to announce that **St. Dominic Savio Catholic High School** will be hosting a middle school Model UN conference!

SAVMUN is a one day conference for 7th and 8th graders, simulating the United Nations, the policymaking, and debate that occurs there. The United Nations is a supranational organization to maintain peace, security, and reliability on issues worldwide.

This conference is a wonderful opportunity for middle schoolers to start exploring the fascinating fields of International Relations, Political Science, and so much more. Students will learn and develop skills such as critical thinking, public speaking, and active listening, thus preparing them for high school and beyond.

At present, our conference is to be held on **April 17th 2027** at our campus, 9300 Neenah Ave, Austin, TX. We plan to have four committees (General Assembly, UN Development Programme, UN Environmental Programme, and World Health Organization). Those who register will receive an email with more information and details about the conference in January 2027. Conference and committee information will also be posted on our website closer to the conference date.

Early Bird Conference Registration Price $35 (Early bird deadline December 18th 2026)
Conference Registration Price $45 (Registration closes Feb 28th 2027)

Conference Registration also includes lunch and a SAVMUN t-shirt.
