Visiting Team Guide

Welcome to Eagle Nation

On behalf of St. Dominic Savio Catholic High School, welcome to Eagle Nation. We are honored to host your student-athletes, coaches, families, and supporters.

Our athletic program is committed to excellence through faith, integrity, sportsmanship, and competition. We strive to provide a first-class game day experience while creating an environment that reflects the values of Catholic education and the traditions of the Texas Association of Private and Parochial Schools.

Whether you are competing in the athletic complex, our gymnasium, or one of our other athletic venues, our staff is committed to making your visit safe, organized, and enjoyable. This guide has been developed to assist visiting teams with arrival procedures, campus navigation, facility information, emergency contacts, and local amenities.

Should you need assistance before or during your visit, please don't hesitate to contact any member of our athletic department.

We wish you safe travels and the very best throughout your season.
