

Dear Savio Students,

If you would like to park on campus, please complete the Google Form below using your **Savio email account**. Parent email accounts will not be able to complete or submit this form.

If you are completing this form, you agree to the following parking guidelines:

1. You are a licensed driver (those with learner's permit can not apply).
2. You hold valid insurance and registration for your vehicle.
3. Having a parking permit gives you permission to park on campus in the designated Savio student parking lot in your numbered spot.
4. Overnight parking is not allowed unless a student is on a Savio sponsored trip.
5. Students must drive responsibly around campus, follow all traffic laws and posted signs, and follow all school rules notated in the Savio Student Handbook.
6. Parking is a privilege at St. Dominic Savio and student drivers must follow all regulations, rules and guidelines or be subject to losing driving privileges on campus along with the designated parking spot.

St. Dominic Savio is not responsible for theft, damages or loss to the vehicle, or its contents, while on campus.

The cost for a permit is \$40 and will be billed through FACTS. Failure to pay the parking registration fee will result in revocation of parking privileges.

Students will receive their assigned parking spot in the beginning of August.

For students getting their driver's license after the start of the school year, please see Mr. Vu once you get your license.
