

# NETWORKING @ NOON

November 18, 2021  
12:00 – 1:00 PM  
on Zoom

**Networking @ Noon** is a monthly opportunity for **community members** and **BU and BMC researchers** to meet in small groups over Zoom and discuss core competencies for meaningful community engaged research. Join us and learn from people who represent a wide range of experiences and settings.

## NOVEMBER COMPETENCY:

Appreciation for stakeholder's  
experience with and attitudes  
toward research

- Group shared experience watching a brief video by the **AAMC Center for Health Justice on Trustworthiness**
- Small-group discussions with researchers and community members
- Meet others, engage in dialogue, meaningful connections
