Implementation Science Journal Club

November 18th, 2021

1 p.m. via Zoom

Join us for the CIIS Implementation Science Journal Club!

CIIS Co-Directors, Drs. Mari-Lynn Drainoni and Allan Walkey, will facilitate a lively discussion on the study design, methods, and implications for research and practice.

Sigal Vax, MSc.OT., Ph.D. will be joining us as a guest speaker this month. Dr. Vax is an implementation specialist at the Boston University Center for Psychiatric Rehabilitation. She has more than 20 years of experience in leading system changes and large implementation projects of evidence-based practices in community mental health services. Her research supports a collaborative approach to practice change in this field and beyond.
